Shelby County
Economic Development Corporation

Why Choose Shelby County?

- Access to bio resources at state, regional, and local levels.
- Home to evolving innovative corporate parks with lab space and work life amenities.
- Proximity to globally renowned University of Alabama at Birmingham (UAB) research institution allows founders and investors access to valuable IP and talent.
- Southern Research, just minutes over the mountain offers wet lab, programming, and access to capital for area early-stage biotechs.
