Where Nature Meets Innovation

Shelby County Alabama

Inverness Center is a 150-acre corporate office park located along Highway 280 in Hoover and Shelby County. Inverness Center features several Class A and B office buildings situated amid lush woods and landscaping surrounding majestic Lake Heather and nearby lakes. Each building is selectively appointed for corporate tenants with an outdoor passion within the environment of this business park naturally set. Inverness is situated near thriving retail centers, upscale residential neighborhoods, a country club, and a championship golf course.
