

Meadow Brook Corporate Park

Shelby County
Economic Development Corporation

Hoover, AL 35242

Where Nature Meets Innovation

Shelby County Alabama

Along 280 in Hoover, Meadow Brook Corporate Park is home to several software, IT, and professional business service companies. In 2018, McLeod Software located its corporate headquarters here and has since grown to nearly 700 employees - making McLeod the Birmingham Region's largest software development company. Available office space, nestled in woods, is waiting for the innovative companies of the future.
