Where Nature Meets Innovation

Shelby County Alabama

Riverchase Corporate Park is a 750-acre master-planned business park located along I-65 and the Cahaba River in Hoover and Shelby County. This park is home to several biotech, health services, and professional services corporate headquarters nestled in hills and lush forest and features access to the Cahaba River through the Riverchase Sports Park. With Innovate Alabama's support, Hoover master planned targeted enhancements to the corporate park including more residential choices, healthcare, and space for innovative companies to locate and grow.
