Where Nature Meets Innovation

Shelby County Alabama

Along the 280 corridor in unincorporated Shelby County, Riverhills Business Park is a single-story office park with flexible floorplans and build-out opportunities. The park has been home for biotech startups and early stage companies. Riverhills Business Park is an ideal corporate location for a team to work hard and enjoy with several restaurants nearby. The park was developed and is leased/managed by Barber Companies who has been a champion of tenant improvements to suit - including wet lab!
